NOTICE IS FURTHER GIVEN THAT:

**COMMENCEMENT OF CASE.** A petition for liquidation under chapter 7 of the Bankruptcy Code ("Code") has been filed in this court by or against the debtor named on the reverse side, and an order for relief has been entered. You will not receive notice of all documents filed in this case. All documents filed with the court, including lists of the debtor's property and debts, are available for inspection at the Office of the Clerk of the Bankruptcy Court.

**CREDITORS MAY NOT TAKE CERTAIN ACTIONS.** A creditor is anyone to whom the debtor owes money or property. Under the federal bankruptcy laws, the debtor is granted certain protection against creditors. Common examples of prohibited actions by creditors are contacting the debtor to demand repayment, taking action against the debtor to collect money owed to creditors or to take property of the debtor, and starting or continuing foreclosure actions or repossessions. If unauthorized actions are taken by a creditor against a debtor, the court may penalize that creditor. A creditor who is considering taking action against the debtor or the property of the debtor should review Sec. 362 of the Code and may wish to seek legal advice. If the debtor is a partnership, remedies otherwise available against general partners are not necessarily affected by the commencement of this partnership case. The staff of the clerk of the bankruptcy court is not permitted to give legal advice.

**MEETING OF CREDITORS.** The debtor's representative, as specified in Fed. R. Bankr. P. 9001(a)(5), is required to appear at the meeting of creditors on the date and at the place set forth on the reverse side for the purpose of being examined under oath. Attendance by creditors at the meeting is welcomed, but not required. At the meeting, the creditors may elect a trustee other than the one named on the reverse side, elect a committee of creditors, examine the debtor, and transact such other business as may properly come before the meeting. The meeting may be continued or adjourned from time to time by oral notice at the meeting, without further written notice to creditors and other parties in interest.

**LIQUIDATION OF THE DEBTOR'S PROPERTY.** The Bankruptcy Trustee ("Trustee") will collect the debtor's property, if any, and turn it into money. If the trustee can collect enough money and property from the debtor, creditors may be paid some or all of the debts owed to them.

**NOTICE OF ABANDONMENT.** This will also serve notice that at the scheduled meeting on the reverse side, the Trustee may announce which properties the trustee plans to abandon. An objection to the Trustee's action may be filed within 14 days after the meeting of creditors.
